

t o g e t h e r i n l e a r n i n g a n d f a i t h

September 2011

Today more than ever, providing quality education and teaching strong values to our children are responsibilities we all share, and ones that never end. A child is nurtured by parents and shaped by friends, neighbors and community members so that the love of learning, the respect of self and others are instilled and cherished.

At Northwest Catholic, education goes beyond the books, paper, and computers. It's about the people, the children and the families; it's about touching lives and making lasting impressions. It's about providing a foundation of love, respect, community values and the gift of knowledge to succeed.

Northwest Catholic school is committed not only to the academic achievement of students but also to each child's spiritual and religious foundation. A Catholic school is unique because it seamlessly blends faith formation with an academically rigorous program of education.

Founded with the support of St. Catherine of Alexandria, St. Bernadette and Our Lady of Good Hope Parishes, Northwest Catholic School provides a quality education for grades K4-8th. In addition to our strong academic curriculum, we provide the children of our community with cutting edge technology skills, exposure to music, art, foreign language and many extra-curricular activities. We develop leadership and citizenship skills through our athletics, clubs, community service projects, and weekly Mass or prayer celebrations.

We started the year with 407 students and a vision that supports high expectations in all areas of our school culture. We are blessed that we continue to increase our enrollment on an average of 7.2% each year. Northwest Catholic is committed to teaching our students in a way that prepares them to be leaders of our community. Our school will continue to flourish with your prayerful financial support of Catholic educational excellence for Milwaukee's northwest communities.

Your generous donation to the 2011-2012 Annual Fund Appeal will help:

- Invest and expand in the use of cutting-edge classroom technology such as computers, video projectors, wireless laptops, DVDs, Power Point® presentations, and Smart Boards®.
- Model and pass on the traditions of our Catholic faith as we form strong values for our future citizens.
- Maintain and grow student enrichment programs.
- Increase test scores and learning levels through engaging classroom materials.

Investing in our students through the 2011-2012 Annual Fund Appeal will ensure that Northwest Catholic School is vibrant and successful into the future. We welcome your gifts and ask for your prayers. **Please know that no gift is ever considered too small.** Please complete the enclosed envelope and return it with your tax-deductible donation to Northwest Catholic. We thank you in advance for your generosity and your commitment to Catholic education.

Blessings,
